

## **ANNEX NO. V to the general regulation for granting scholarships for research**

### **Scholarships for Foreign Researchers**

Scholarships for Foreign Researchers consist of financial support for an internship of 3 (three) months, in a specialized institution in Romania, in order to develop a study that discusses topics related to various spheres of Romanian society. The program is dedicated to academic improvement, targeting both PhD students working on a Romanian topic, for the preparation of doctoral theses, and well-known researchers. The selection is made by an independent commission of specialists based on the received application files. The application file must contain, among others, two letters of recommendation from specialists in the field.

**Number of scholarships awarded annually:** 3 (three)

**Scholarship duration:** 3 (three) months, between June 22<sup>nd</sup> – December 10<sup>th</sup> 2026.

**Areas for which the evaluation and selection are organized:** research and documentation in the fields:

- Visual arts, curatorship and art critic, museology/museography;
- Music and musicology;
- Architecture, town-planning and design;
- Literature and literary criticism;
- Cultural patrimony;
- Cultural management;
- Economic sciences;
- Human and social sciences.

**Amounts awarded:** 5.000 euro/scholarship.

### **Documents required for registration (scholarship application file):**

- a) the registration form;
- b) CV;
- c) copy of the identity card / passport;
- d) a research project;
- e) 2 (two) letters of recommendation from specialists in the field;
- f) copies printed after the studies published in the last 2 (two) years in a recognized journal in the research field chosen by the candidate;
- g) a work plan during the period for which the scholarship is requested;
- h) in the case of doctoral students, copies of official documents certifying participation in an accredited doctoral program
- i) affidavit stating that all the documents sent are in accordance with the original.

The documentation will be submitted in English.
